Parent-Volunteer Form

*"Coming together is a beginning. Keeping together is progress.
Working together is success."*

Dear Parents,

Oct. 28, 2010

The 2010-2011 academic year has started particularly well. There is a lot of energy and excitement, and we are eager to build on our successes from the past. In our efforts to build a more positive environment we hope to raise expectations of all our staff and students. In June 2010 we sent letters home to inform you about a new program we would like to initiate at Manor House American School, namely the **Parent Advisory Council**.

The Parents Advisory Council members provide both leadership and a voice for parents. Council members contribute perspectives unique to parents and can participate in many areas. The role of the council will be to coordinate and participate in school activities and events, as well as contribute to general student well being and success.

There will be regular meetings between the council members and school administrative leaders, as well as staff members. Parents who are interested in joining the council must fill out the form on the bottom and return it to the school administration by **Nov. 11, 2010**. The council will consist of 10 parents from different grade levels. Places are limited, so please send the bottom attachment as soon as possible.

We value your participation and contributions. It is with your willingness to help, combined with the efforts of our staff, that we can continue to provide the programs and activities that make MHS a great school.

Best Regards,

Hoda Soliman
Principal

Parent Advisory Council
