Communication

In order to further facilitate the flow of school information, the website will have all letters and school documents available online. We use ClassDojo to stay informed about your child's classroom. There you will receive weekly newsletters and homework. For access to Monthly newsletters and School Notices Go to mhsamerican.com

Click on 'Tiger Times' for the monthly newsletter, and check your ClassDojo Regularly!

Dear Parents,

Welcome back to school! Please review your child's books. Parents have the first week of school to check and make sure their student's books are free from major damage. You will have **3days from receiving a book** to report damages. Keep in mind that some books are given out during the year. Anything that is not reported to will be the responsibility of the student at the end of the year. Please only report **water damage** and **large** tears or **excessive** writing. Do not report every little mark or tear.

KG2 Parent Workshop

KG2A: September 19 & KG2B September 20

ALL KG2 parents are required to attend the Parent Workshop after school.

Please do not bring children. This workshop is designed to provide parents with tools to help their child become successful in school. Working with teachers will help you understand your child's daily activities and in turn will guarantee their success in school. Attending workshops are a great way to show your kids that you take an interest in their education. It also sends a positive message that you consider school a worthwhile cause.

Canteen

We will be offering lunch at school this year. Contact Mrs. Hanan to set up an account! Only students with accounts will receive meals. They must be ordered the day before! (Small water: 8 L.E. and Mini Water: 5 L.E.)
